Dear Sponsors and Friends

John and Eileen Cossins have prepared another News Letter and are happy for me to pass this on to you. I am so grateful for their help.

Hebron Hostel has celebrated another great baptismal service when 18 of our girls were baptised in the canal in front of all the Hindu temples, and with many people and Hindu priests watching. Our friend, Mr K Satyanarayana did the baptising and he says "the girls faces were radiant as they shared about being saved out of darkness into the marvellous light of Jesus Christ. Many people were visibly moved and we are thankful for the continuing work of the Holy Spirit in the Hostel."

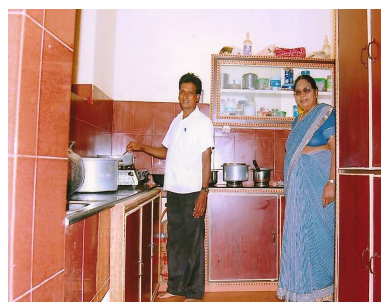

Pushpa, our seamstress busy at her treadle machine. She makes all the clothes for the 300 girls, and also made the baptismal clothes.

In our last letter we mentioned the roadway to be built around the Hostel buildings. Thanks to an extremely kind legacy we have now been able to complete this. Our picture shows the work in progress. The roadway will be named the Sylvia Marshall Drive, in memory of the kind donor.

The new kitchen for Jennie

**CHRISTMAS GIFTS!** As in previous years, if you prefer to send money to your sponsored girl for Christmas, a member of staff will go and buy suitable gifts. If you would like to take this option, I will require the money within the next three weeks (**cash or cheque to me Mrs C Bentall**) to reach me by **October 9<sup>th</sup>** so that we can process it through GMCT in time for their quarterly remittance to the Hostel. Thank you all most sincerely for your continued faithful support and prayers.

Do please pray for Jennie and her loyal leadership, for the reliable Staff and the Lord's blessings on the dear girls.

With love from Cathy Bentall
